HYGIENE

A HYGIENE ENVIRONMENT IS THE FIRST STEP TOWARDS A HEALTHY ENVIRONMENT.

Keeping this in mind Madras Coffee House maintains a hygienic outlet everywhere with strict monitoring.

Our staff are the communicators of our hygiene policy as you can't never see our staff without a head cap, glove or a mask.

Thus, providing a best environment for the customer to relax and share some stories over a coffee.

SPECIAL AND SPECIFIC

MCH caters a specific variety of eateries in every outlet which are handpicked by our team with a conscious of healthy prospect towards the customer.

The quality, taste and health are the most concerned before launching any new snack or drinkables.
