VADA

"My filter coffee experience with MCH has been amazing. The taste of the coffee has no match whatsoever. Growing up in Chennai, MCH has been the sole saviour for my filter coffee cravings."

V. Ramachandran

Chennai

" I love the filter coffee from MCH very much. I always come here with friends and family to enjoy a nice round of evening snacks with a hot cup of filter coffee. Literally everyone in my family is a fan of the filter coffee and MCH is our only go-to destination. "

A. Ashok Kumar

Madurai

TESTIMONIALS

"I've never had a Filter coffee as good as Madras Coffee House. The taste consistency is simply amazing and any store I visit, I get to relish the same rush of adrenaline without any compromise in quality. That is one of the biggest reasons why I love the MCH brand."

R. Gayathiri
Trichy

"We are all ardent coffee drinkers in my gang and MCH has been our hangout spot for quite a long time. We have made conversations and grown our friendships over the time in Chennai. We have had filter coffee in literally every outlet of MCH there is. Now that they are expanding to different cities, we plan to travel in the future also."

C. Karthikeyan

CAPITAL REQUIRMENT

Total investment required to start a “**Madras Coffee House**” outlet will be around 15 to 17 lakh, which includes everything to start the outlet (equipment, interior, kiosk, rental advance, franchise fee...)

INVESTMENT DETAILS

Franchise fee is

Rs. 5,00,000/- + 18% GST

Kiosk or Shop

Rs. 4,00,000/- to 6,00,000/-

interior Branding

Rs. 2,00,000/-

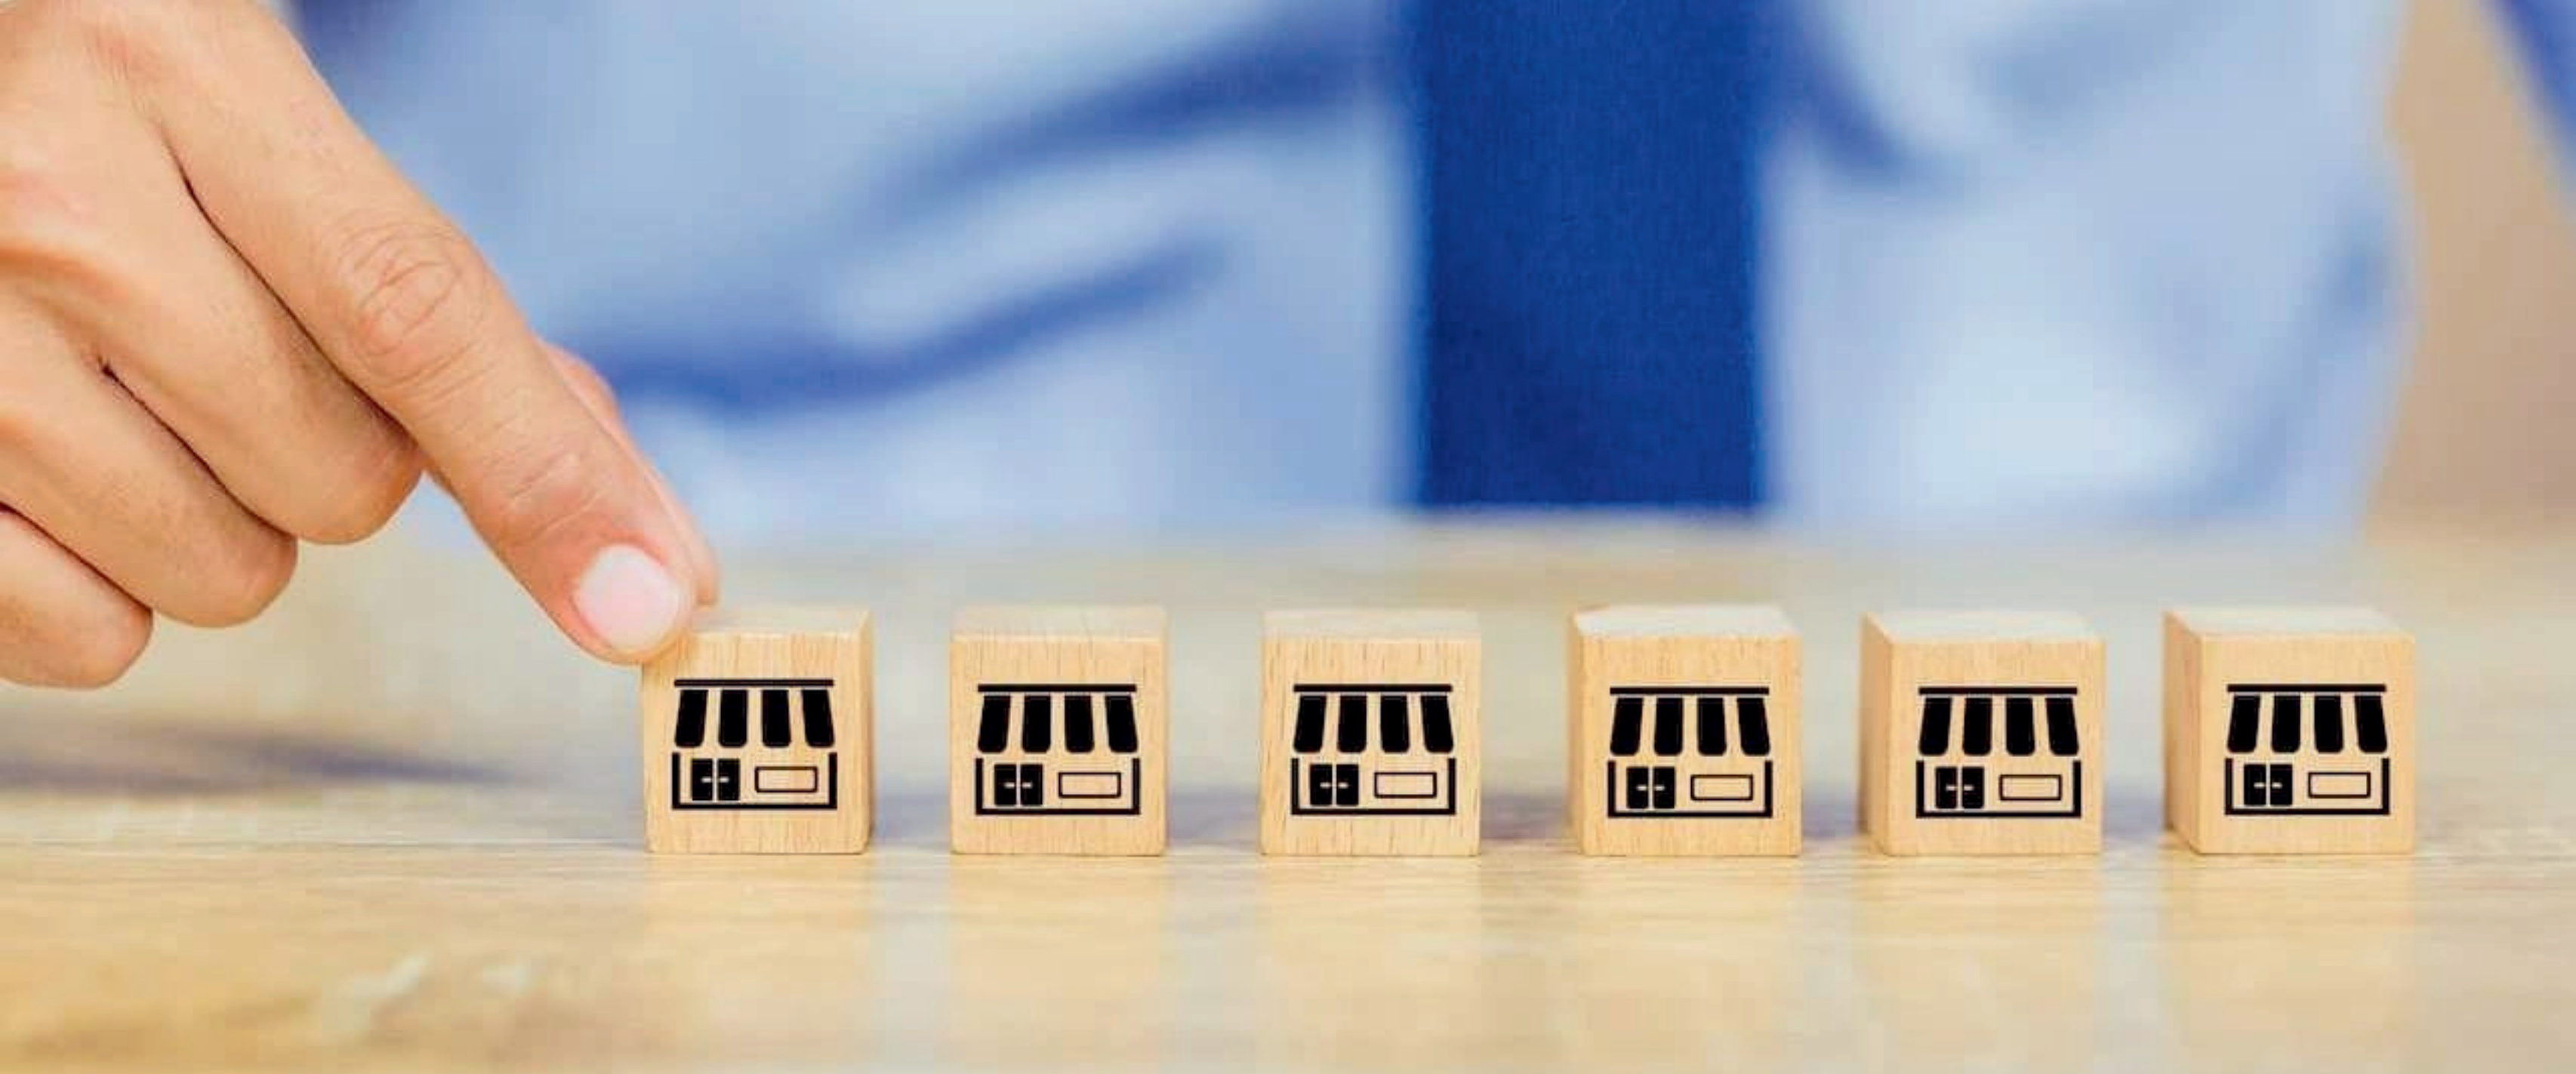

Equipments

Rs. 4,00,000/-

Rental advance

Rs. 2,00,000/- to 3,00,000/- (approx)

TO START A FRANCHISE

The first step will be approval of the location by the company. Only after approval of the location the Franchisee will need to start spending for the investment.

RETURN ON INVESTMENT

Our franchise investment model is designed to provide attractive and reliable returns.

Investors will receive up to 10% of monthly net sales as returns (subject to location rent and other factors) until the full investment amount is recovered. This typically takes around 3 years, depending on the outlet's performance. (For example, with monthly sales of ₹3,50,000, the investor receives 35,000

per month as returns.) Once the full investment is returned, investors will continue to receive 8% of monthly net sales for as long as the outlet operates.

The company will provide complete support in setting up the outlet approval, layout design, interiors, equipment installation, manpower support, SOPs, and menu design.
